

# ABERDEEN ANSWER SALE

Saturday, February 3, 2018

Hansen Learning Center – Ames, Iowa  
Evaluate the sale cattle in the comfort of the Hansen Learning Center – all the cattle will be housed indoors.

This sale will feature:

- Nice, young Aberdeen breeding females due to calve shortly after the sale, practical, efficient cattle
- Excellent show heifer prospects, just in time for the Junior National Show, also held in Ames, Iowa next June. Halter broke and ready to go.
- Breeding age bulls, semen tested and ready for spring breeding, bred for muscle and calving ease.

**Bar J Beauford, 2011 National Champion**  
Bar J Ranch is consigning 10 bred cows, including two fullblood daughters of Beauford.

**EZ Calico 175E**

This flashy, unmistakably good heifer is one of a kind – a daughter of the Reserve National Champion RZ Harvester. She sells along with a group of fabulous show prospects from Effertz EZ Ranch.

**KV Miss Demeanor 706E**

Straight lined and easy fleshing and structurally correct, this Moderator daughter of Vitulus Branded Red is out of a registered Simmental base and consigned by TLC Farms.

Aberdeen is the ANSWER to these important questions:

How do I ...

- Moderate mature cow size? **Aberdeen**
- Improve beef production efficiency? **Aberdeen**
- Increase pounds of beef per acre? **Aberdeen**
- Eliminate calving problems on first calf heifers? **Aberdeen**
