## Terms and Conditions

**Terms:** Terms of the sale are cash or check payable immediately upon conclusion of the sale and before animals will be moved. Seller will reserve the right to require a certified check as settlement before releasing any cattle.

**Insurance of Purchases and Risk:** All animals are the seller's risk prior to their sale and become property of the buyer as soon as declared sold by the auctioneer. Arrangements will be made to have insurance available when making settlement.

**Bidding:** All animals sell to the highest bidder. Any disputes or challenges regarding bids will be settled by the auctioneer and his decision will be final.

**Health and Export:** A vet will be on hand to write interstate health certificates.

**Registration and Transfer:** All animals sell with registration papers from the American Lowline Registry and will be transferred after the sale at the seller's expense.

**Announcements:** Any errors or changes of information contained in the catalog will be announced from the auction block and such announcements shall take precedence over information contained in the catalog.

**Breeding Guarantee:** Bred females called safe in calf have been pregnancy examined by a veterinarian and found to be safe in calf. The open heifers selling are guaranteed to be breeders. If a female appears to be a non-breeder within 6 months of the sale (or within 6 months of when she reaches breeding age) she may be returned to the seller at the buyer's expense. The seller will then reserve the right to prove the animal a breeder within a six month period, using any fullblood registered Lowline bull of his choice through AI or natural service. If successful, seller will return animal to buyer, again at buyer's expense. Should the animal fail to prove a breeder, the seller at his option may either return the purchase price to the buyer or replace the animal with another of equal value in full settlement and satisfaction of all claims. In no event shall the seller be responsible for more than the purchase price.

In case the animal in question should develop to be a problem breeder due to negligence or improper management by the buyer or if the female has been subjected to any hormonal or surgical reproduction techniques, the seller's guarantee does not apply. No guarantee is given that bred females will deliver a live calf. No guarantee is given that a female will produce eggs suitable for transplant.

All bulls over 14 months of age are semen tested. No guarantee is given that a bull will produce semen that will freeze. Bull calves under the age of 14 months are guaranteed to pass a semen test at 14 months of age. Should the animal fail to pass a semen test, the seller at his option may either return the purchase price to the buyer or replace the animal with another of equal value in full settlement and satisfaction of all claims

The Heaven Bound Farms and Buck Mountain Farm consignments represent herd dispersals. Every effort has been made to present accurate and up to date breeding information. No further guarantee applies to these lots.
