Red Hot is a black red gene carrier fullblood breeding age bull ready for heavy service. His dam is from the same Lazy G Cleo cow family that produced the Lazy G Chase bull and the Cowan bull that sells as lot 50.

Red John is a young brother to lot 52 out of the Lazy G Chloe dam that has produced so many excellent herd sires. He's out of an Infrared daughter which brings even more excellent marbling score DNA to his pedigree. Take him home and grow him into dollars for you.
