Muskingum Livestock Auction, Zanesville, Ohio

Titanium

Selling the 2015 Louisville Senior Champion and Reserve Grand Champion. Titanium is a deep, well-composed Elite son who combines the Australian greats – Yass, Zarzuela and Alcina. Great bull ready for heavy service.

Extremely attractive and clean made, this double bred Hank granddaughter should have a calf by sale time.

Very well bred 3/4 heifer by a Union Son out of a Vitulus Winner daughter bred for a summer calf.

Nice, deep and easy fleshing, this is another Southern Man (Union x Winner) daughter that traces to a Doc Holliday base.

What a special Rusty daughter out of the Spring Creek Tasha cow, with a top-notch spring calf at side.
