Daviness County Livestock

Here's a big-bodied, very smooth-fronted halfblood by Underdog with a sweet August heifer calf at side by Jack's Honey 7E. She's a picture of well-muscled, easy-fleshing efficiency.

HSR Winnie's 4105 9F is a double halfblood Aberdeen Moderator by the great Duff Aberdeen + Next Generation and out of a terrific Bar J Hybrid daughter. She's a real sweetheart who is made right and easy fleshing.

This May Duff Aberdeen + 4105 Next Generation daughter stems from the great Polly cow that won Kansas City. Long sided and so cool fronted, she's the kind that will always produce show calves when mated to a variety of good bulls.

Pine Hurst Firecracker was the Champion Senior Yearling Heifer at the 2019 Iowa State Fair Junior Show. She's a deep and full-bodied senior yearling that will calve this fall to Pine Hurst Hoss, a full brother to Bar J Hybrid \$400. She's a full sister to the \$6,500 red heifer at the 2017 Supreme.

HIC Bad Attis, a long yearling fullblood Captain Jackson out of the great Petunia cow, is smooth and long bodied. He is sure to be a bullet-proof calving ease sire, AND he is a red gene carrier.

SFR/FCC Mudpie 905G is an exquisite April fullblood heifer out of Voo (Jackaroo x Lavaca) and by a son of Happy (Beau Lad x St. Louise). She is straight topped, level rumped, deep and capacious yet elegantly fronted.

EZ Clementine 150G is black red carrier, four generation May halfblood. Her dam is a double-bred Utah granddaughter out of the great 417P cow family – fancy and feminine as you can make one!

B & B Petunia is a well-constructed Red Rocky daughter – she is so deep and well balanced with a beautiful udder – a “home run” donor cow. A son sells as well as four embryos by FCC SRF Legacy 2E.
