Selling 6 straws of semen, stored at our vet's facility. Yarra Ranges Jackaroo was the youngest bull to ever win Supreme Exhibit at the Melbourne Show in Australia. He weighed 752# at 11 months of age and had a whopping 11.16 REA, 1.48 REA/CWT. His progeny have excelled on both sides of the Pacific, both daughters and sons. His semen is extremely scarce in the U.S. and has commanded \$500 to \$1000 per straw in recent sales. Here is a chance to flush your best cows to one of the all time greats – Jackaroo. You could produce a lot of offspring from this semen using in vitro fertilization!
