Lowline SUPREME SALE

Saturday, December 6, 2014

Lowderman Auction Center, Macomb, IL

Offering 47 Lots of Lowline Cattle

Be on the seats in person to see one of the nation's finest Lowline offerings at the beautiful Lowderman sale facility just west of Macomb, Illinois. If you wish to bid on the sale cattle over the phone, please contact Neil Effertz, Dean Pike, Mike Sorenson, Monte Lowderman or one of the consignors.

Join us for lunch before the sale.

Sale Day Phones:

Monte Lowderman (cell).....309-255-0110
Neil Effertz (cell).....701-471-0153
Jan Effertz (cell).....701-471-0152

Sale Location:

The sale facility sits on the north side of US Hwy 136, 2 miles west of Macomb, Illinois, at the intersection of US Hwy 136 and US Hwy 336. It's 76 miles from the Peoria, IL, airport, a three-hour drive north from the St. Louis airport or a four-hour drive southwest of Chicago.

Sale Headquarters:

Hampton Inn
1639 East Jackson St., Macomb, IL 61455.....309-837-6000
Holiday Inn Express
1655 East Jackson St., Macomb, IL 61455.....309-836-6700

Special Representatives:

Dean Pike, American Lowline Registry.....303-810-7605
Mike Sorenson, *Livestock Plus*.....641-745-7949
Monte Lowderman, Lowderman Auction.....309-255-0110

Supplement Sheet and Video:

Updated catalog information, photos and video on some of the sale cattle can be viewed at www.auctioneffertz.com.

Insurance:

Livestock insurance will be available at the settlement desk.

Trucking:

With consignors from across the country, we will try to coordinate transportation to keep it as efficient and economical as possible.

Health Papers:

A vet will be on hand to write interstate health certificates.

Can't attend the sale? Watch and bid online:

Realtime bidding is available via the internet. Please visit www.liveauctions.tv at least two days prior to the sale to create an account.

If you have difficulty during the sale, please call 701-471-0153 or 701-471-0152.

Surprise was purchased in last year's Supreme Sale and headed straight for an awesome year in the show ring. She was Grand Champion Fullblood Female at the Iowa State Fair in both the open and junior shows and Grand Champion Lowline Female at the World Beef Expo in Wisconsin. She is the leading Lowline female in the Iowa Junior Beef Breeds points system, being named breed champion at 8 shows and making the Top 5 Overall Breeds at the Clinton County Show. She is sired by the now deceased National Champion Bar J Beauford. On her dam's side she traces to one of the foundation cows in the breed, Goldilocks. She is safe in calf to FCC/SFR Longmire FM20301, bred on September 6. This mating pairs great genetics with TNT Lavaca and Beau Lad who have produced numerous champions. Watch for her in Louisville and she is entered in Denver.

Fantasia is a beautiful, feminine, deep-bodied, level-hipped fullblood daughter of the carcass leader Lisbon. This is a terrific show heifer who has already been named Reserve Champion Heifer Calf at the World Beef Expo. Her dam was the 2000 National Champion Female and a great, prolific donor cow. More importantly, beyond her potentially great show career, she could make a very interesting breeding piece and donor prospect. Consider Fantasia for a successful youth project – look how well her stall mate Surprise (Lot 1) did this year! She is entered in Denver.

PROVEN!!! best describes this own daughter of the famous Bar J Buzz . Tawney is the dam of the 2013 American Royal Grand Champion Female and 2014 National Senior Heifer Calf Champion. She has extension, capacity, structural correctness and spring to stand out in the crowd and take your program to the next generation. NOW THE BEST PART, she sells bred to the DENVER, HOUSTON and KANSAS CITY CHAMPION EZ CAPTAIN JACK, the exact breeding that produced Tawney's 2013 and 2014 National Champions.

Scarlet is a fabulous eye catching female, a own daughter of the GREAT Hoss bull, and straight from the core of our fullblood breeding program, fulfilling her role supplying us with feminine, muscular, square hipped replacement females with great extension. She sells bred to EZ CAPTAIN JACK, the ever popular DENVER, HOUSTON, and KC Champion and sire of multiple National Champions. This calf promises to be a good one with the gentleness and personality "Jack" calves are known for.

Captain Jack, service sire to Lots 3 and 4

AS TRACE WOULD SING - CHROME BABY!!!! You're gonna like Candy - gentle with a great disposition. She has extension, spring of rib and muscle to grab everybody's attention. Her dam is a sister to the fantastic BWF SRE Frankie heifer that Shea showed to Reserve Champion in KC last year. She is bred to the 2011 NATIONAL CHAMPION Bar J S400 Hybrid - for a "JIM DANDY" of a chromed-up calf. This calf will be 71% Lowline, 22.625% Club Calf Breeding (Mercedes Benz, Cowan's Ali), and 6.37% Hereford - great potential for a 4-H or FFA project to show as both a % Lowline or commercial calf.

Lot 31A: Fullblood bull calf RF49B born 9/13/14 sired by RF Piston. Golden Lady is a super feminine young cow. Her first calf, RF Cover Girl, sold to Keith Sharpe of Texas for \$5300. She is a full sister to the 2002 National Champion Bull, Fairwyn's Legacy. The Piston bull calf at her side shows a lot of promise. Piston scanned a 19.04 REA in Denver in 2013. She sells exposed to RF Imperial, whose first calf crop was 100% females. A total package - young, matriarch cow possessing a powerful pedigree with a herd bull prospect at side and bred to the reigning National Champion Bull.

She is the first Imperial daughter to sell and we wanted to bring a good one! Beverly is a super nice, well balanced female who is awesome on the move and will be shown in Louisville prior to the sale. Nellie 2M7-P55 has been our best producing cow, she is the grandmother of Keepsake, the 2013 National Reserve Champion Female, and Norene, the 2012 NAILE Champion Female. We have 4 daughters working on our herd. Her 2012 calf was a division winner at Louisville and Denver. When Beverly is done with her show career, she will make an excellent addition to any herd.

Looking for cow power? Your search ends here, MRG Mayan Prediction is a daughter of the great Victoria cow. Victoria has 27 offspring producing in 10 states, as well as in 2 herds in Canada. She has produced multiple show champions and Maya is no different. Maya is sired by Elandra Park Sam a bull that is no stranger to US breeders for making exceptional quality, functional cattle. She is deep bellied, long sided, big hipped female that would make a great addition to any herd. Maya is safe in calf to MRG Super Bad FM14975, an own son of the National Champion "Super Sonic" Mr. Dakota 602S.

		[

Atomic is an explosive, well muscled senior yearling Moderator bull by the red carrier fullblood son of the National Champion maker, Bar J Miracle 7G9. He's a really stout built and attractive show bull and breeding bull all wrapped up in one dynamite package.

Lot 47

What are they good for?

1. Calving ease on first calf heifers. Halfblood calves average weights of 60-70 pounds at birth will vary depending on the genetics of the heifers. They will be in the frame score 4 to 5.5 range again depending on the frame score of the heifers. These vigorous healthy calves will weigh right at or just slightly below the average of your regular calves especially if you start calving your heifers a few weeks earlier than your main cow herd as is common practice. The extra calves you wean (no death loss at birth) will more than make up for any loss in individual weaning weight. These first cross calves will sell right with your regular calves at no discount.

2. Halfblood and first cross Lowline steers will finish at 1,150 to 1,275 pounds if backgrounded on a high roughage diet.

They will work extremely well to run as yearlings on grass and then these yearlings will gain very well and very efficiently in the feedlot. They will finish in a much shorter feeding period saving high corn costs and yardage. Because of their heavy muscled Angus heritage they will yield excellent carcasses with high rib eye area per hundredweight and a high quality grade. The Lowline cross beef is noticeably fine textured and very tender.

3. Use Lowline cross cows to moderate your cow size. Run more cows per acre and wean more pounds per acre. Sell that total pounds of weaning weight for a higher price per pound. This is especially true from the 2nd year of production and beyond when you can breed the Lowline cross females to a larger framed but easy calving bull of another breed to make a smaller cow be all she can be. Thus she weans a higher percent of her body weight and optimizes her lower annual maintenance costs.

4. Sell Lowline seed stock.

There are an increasing number of Lowline sales across the country to allow you a place to market your registered Lowlines. There is also a great demand for Lowline cross replacement heifers. They make excellent recipients for some embryo transplant programs.

5. Lowline cross steers are ideal for the emerging "Grass Fed Beef" market.

We find that 1/2 to 3/4 blood steers are very well suited for this purpose.

6. High percentage Lowlines are optimum for selling locker beef. Their smaller carcass size is much more well suited to the modern American family. Their smaller yet fine textured cuts of flavorful beef will gain you rave reviews from your customers and some great "word of mouth" advertising. We are even breeding some of our higher percentage Lowline cows to lower percentage bulls which gives us terrific weaning weights as a percent of the cows body weight.

Notes

Mail bid: Mail or wire bids may be furnished. Bids must be in the hands of the sale manager in ample time prior to the sale and will be handled in strict confidence.
