

Tummons Cattle

Lowline Dispersal

Saturday,
May 2, 2015

1:00 p.m. • Daviess County Livestock Market • Gallatin, Missouri

Never before in this young Lowline breed have so many great cattle been offered in one sale.

Not only do these cattle have great track records in competition across the United States, they also make great cows and bulls for commercial and registered beef production. Their show records speak for themselves, winning time and time again in both the Moderator and Fullblood divisions of all the major shows in the breed.

But more importantly, these genetics have a solid foundation that has anchored some of the greatest breeding herds in America, even outside the Lowline breed. Many of the cattle selling stem from Olhde Cattle Co. foundation breeding stock ... the likes of OCC Legend, OCC Anchor, OCC Emblazon, OCC Priority and OCC Dixie Erica. The registered Hereford and Shorthorn foundation cattle stem from the Gary Buchholz GKB herd in Texas.

The same genetics have also been the foundation for many of the cattle in the Duff Cattle Co. herd in Oklahoma. Keep in mind these are working herds of beef cattle successfully competing for market share in real world commercial beef production, not just show winners. The genetics selling here on May 2 not only substantiate the validity of Lowline cattle in the real world but also have been significant ambassadors for the Lowline breed to add credibility to the use of Lowline genetics in a crossbreeding program with several other popular breeds.

If you want to go home with cattle that can produce next year's winner in the Lowline business or in the all breed junior show circuit, you have come to the right place. Set down your satchel and go home with a trailer load of them ... you can't go wrong here!

Several show heifers are halter broke and ready to go the Lowline Junior National. Registration papers will be transferred to the new owners as of the date of the sale.

You can buy with confidence that the paperwork is in order, the breeding is at the top of the breed and you will get what you pay for!

Please call if you have any questions. We are here to help you make your best selections from this outstanding offering.

Sincerely,

Neil Effertz
701-471-0153

Tummons Cattle Lowline Dispersal Saturday, May 2, 2015 • 1 p.m. CDT Daviness County Livestock Market, Gallatin, Missouri Offering 53 Lots

SALE DAY PHONES:

Neil Effertz, cell 701-471-0153
Brad Tummons, cell 660-334-0011

Jackaroo – the sire of champions! This National Champion at the Sydney Royal Show in Australia has really made a name for himself in America. He sired this year's National Champion Female, Houston Grand Champion Bull twice, a bull that sold for \$27,000, the 2015 National Champion Get of Sire and 7 2015 National Division Champions. In Kansas City he sired the Grand Champion Percentage Bull and Grand Champion Fullblood Bull. His daughters have near perfect udders and make great cows.

This National Champion is a son of Findon Royale and EZ Cinderella 61U, one of the great donor cows in the breed. He's a maternal brother to JH Lady, the 2015 National Champion Female. He's the sire of the 2014 American Royal Grand Champion Percentage Female. His first calves are very sound and attractive just like he was and his mother before him. She was Grand Champion Female in Louisville as a yearling and has produced two National Champions already.

With the typical structurally flawless phenotype associated with nearly all the Findon Royales, this attractive 3/4 blood should stamp his calves with a look that's sure to sell. He was Champion Bull at the Iowa State Fair, American Royal, NAILE and Reserve Champion in Denver and Houston. His first heifer calf sells in this sale (lot 35A), his mother (lot 21) and sister (lot 22) also sell.

This quality Update son was purchased to advance our black baldy program. He was Reserve Champion Purebred Bull at the NAILE. He is very thick with a massive top. His mother is an own daughter of Fairwyn's Machine.

This upheaded, correct son of the Australian National Champion Jackaroo is a brother to no less than 4 National Champions. He has a great cow behind him.

Beau's Image looks just like his sire and a lot better than his picture. He was entered in the Bull Battle and is one of Brad's favorite Low Beau halfblood sons. He comes from a great cow family.

If you want to raise show calves, pay attention here. This Jackaroo son with put some color in his calves and the sweet front end that's so typical of the Honey cow family. His dam sells as lot 18. Don't overlook this blue roan bull.

Lot 53

Terms & Conditions

Terms: Terms of the sale are cash or check payable immediately upon conclusion of the sale and before animals will be moved. Seller will reserve the right to require a certified check as settlement before releasing any cattle.

Insurance of Purchases and Risk: All animals are the seller's risk prior to their sale and become property of the buyer as soon as declared sold by the auctioneer. Arrangements will be made to have insurance available when making settlement.

Bidding: All animals sell to the highest bidder. Any disputes or challenges regarding bids will be settled by the auctioneer and his decision will be final.

Health and Export: A vet will be on hand to write interstate health certificates.

Registration and Transfer: All animals sell with registration papers from their respective breed Association and will be transferred after the sale at the seller's expense. In the case of dual registered cattle, both registration papers will be transferred.

Announcements: Any errors or changes of information contained in the catalog will be announced from the auction block and such announcements shall take precedence over information contained in the catalog.

Breeding Guarantee: Every effort will be made to make the most up-to-date information regarding pregnancy check available to the buyers.

Bred females in the sale have been pregnancy examined and found to be safe in calf. The open heifers selling are guaranteed to be breeders. If a female appears to be a non-breeder within 6 months of the sale (or within 6 months of when she reaches breeding age) she may be returned to the seller at the buyer's expense. The seller will then reserve the right to prove the animal a breeder within a six month period, using any fullblood registered Lowline bull of his choice through AI or natural service. If successful, seller will return animal to buyer, again at

buyer's expense. Should the animal fail to prove a breeder, the seller at his option may either return the purchase price to the buyer or replace the animal with another of equal value in full settlement and satisfaction of all claims. In no event shall the seller be responsible for more than the purchase price.

In case the animal in question should develop to be a problem breeder due to negligence or improper management by the buyer or if the female has been subjected to any hormonal or surgical reproduction techniques, the seller's guarantee does not apply. No guarantee is given that bred females will deliver a live calf. No guarantee is given that a female will produce eggs suitable for transplant.

Breeding-age bulls have passed a semen test.

Liabilities: All persons who attend the sale do so at their own risk and Auction Effertz, Ltd. and Tummons Cattle and the sale consignors assume no liability for any accidents that may occur. Neither does Auction Effertz, Ltd. or Tummons Cattle and the sale consignors assume any liability for loss or injury to livestock due to theft, mysterious disappearance, sickness, improper handling or Act of God. It is also to be clearly understood that Auction Effertz, Ltd. acts only as a medium between the buyer and the seller. They are not responsible in any way for any failure on the part of the buyer and the seller to live up to their obligations of for the truth of any warranties or representations, express or implied. Neither does Auction Effertz, Ltd. assume any financial obligation to collect or enforce collection of monies between parties. Any legal action that may in exceptional cases be taken, must be between the buyer and the seller.

Contract: The above terms and conditions shall constitute a contract between the buyer and the seller of each animal sold.

Mail bid: Mail or wire bids may be furnished. Bids must be in the hands of the sale manager in ample time prior to the sale and will be handled in strict confidence.
