Hottie's Girl, currently the winningest heifer in North America, is due in May to the fabulous Muddy Creek sire Making Money. She's been Grand Champion every time Dalton has shown her under ten different judges in junior show and open show competition. Her sire, Boxcar, was National Reserve Grand Champion Bull as a calf and her dam was Reserve Senior Heifer Calf at the 2010 American Royal and part of the Champion Get of Sire. This heifer has unlimited donor cow potential after her show career and is certainly a leading contender for the 2018 National Champion Female award. She's written an impressive chapter so far. Buy her and be part of "the rest of the story."

With our girls gone to college, it's a little easier to offer one that we would normally keep and show. This super cool heifer has massive foot and bone size with a huge hip and top combined with tons of extension, femininity and a great show look. Kaislee is one that will be hard to get around in All Breed shows or in the breed grand drive. We are retaining the right to 1 flush of 6 freezable eggs at our expense and the buyers convenience. Red gene carrier.
