

Aberdeen SUPREME

..... SALE

Saturday, November 3, 2018

6 p.m. – Daviess County Livestock • Gallatin, MO

**Offering 84 Lots
of Aberdeen Cattle**

An elite offering of very select
breeding stock, show heifers,
embryos and semen!

Aberdeen SUPREME ***** SALE

The Aberdeen Supreme Sale is returning to its roots – back to Saturday and back to being an elite sale, featuring extremely high quality Aberdeen seedstock. With the Junior Nationals coming to Kansas next summer, the Supreme will be an excellent source of the very best show heifers. Come early and enjoy the hospitality and a great group of consignors.

Join us for dinner before the sale.

Sale Day Phones:

Neil Effertz (cell).....701-471-0153
Jan Effertz (cell).....701-471-0152
Dean Pike (cell).....303-810-7605

Sale Location:

Gallatin is in northwest Missouri, 22 miles northeast of Cameron, Missouri, on Missouri Highway 6 or 72 miles northeast of Kansas City, Missouri, on I 35 to Missouri Highway 6 or 131 miles south of Des Moines, Iowa, on I 35 South to Missouri Highway 13.

Lodging:

Rooms are very limited in Gallatin. For those travelling from the north, we would recommend staying in Bethany, MO. If you are coming from the south or west, we would recommend staying in Cameron, MO. If you are travelling from the east, we would recommend staying in Chillicothe, MO.

The Aberdeen Supreme Sale has been the source of some of the most influential animals in Aberdeen history.

There has never been a better time or place to get started in the Aberdeen cattle business than this year's Aberdeen Supreme Sale. Only the highest quality, true breeding stock have been selected for this elite sale. There are lots and lots of very special cattle to pick from – donor cows, proven brood cows, bred heifers, show heifer prospects, embryos, semen and herd bulls – they are all here.

Don't miss the opportunity to build your new herd or add superior quality to your existing genetic base from some of the leading producers and genetics in the Aberdeen breed.

There will be transportation going nearly anywhere all across the US from this sale. Call us if we can be of any assistance. We hope to see you in Gallatin on Saturday, November 3.

Lot 1

Lot 1A: 7C Black Betty halfblood heifer calf born in July sired by Duff Heritage. Until now, we have never offered any females out of our Queen cow family. Cajun Queen was the Grand Champion Percentage Female at the 2016 Houston Stock Show and then went on to win Grand Champion Percentage Heifer and Grand Champion Bred and Owned Heifer at the 2016 Junior National. Her heifer calf may very well be the best show heifer prospect we have ever raised. Cajun Queen bred back almost immediately after calving and is bred to MRG Peter for what should be a line bred masterpiece.

Lot 2

8U7 is a donor quality cow. The only reason we are willing to part with her is that we are retaining two daughters in our herd. Her yearling Aberdeen Plus daughter was Reserve Grand Champion Percentage Heifer at the 2018 Junior Nationals and her 2018 fullblood heifer is in our show pen. Her 2016 Duff Rebar son was the high gaining bull and had the highest RFI index of all Aberdeen bulls at the 2017 Genetic Development Center Bull Test in Navasota, TX. She also has leading daughters in the Flying J & L Ranch and Bar N Ranch herds. She is due early next spring to the great MRG Peter FM15177. Take advantage of this rare opportunity to own a proven donor quality female. She sells with 5 straws of MRG Peter semen and the certificates necessary to register calves out of this cow.

2018 Fullblood Peter daughter of Lot 2

AMERICAN
ABERDEEN
ASSOCIATION

FULL BLOOD
AND PERCENTAGE
EXPLANATIONS

FULL BLOOD 100% Aberdeen cattle—these cattle trace back to the Trangie Research Center and the original Angus purchased from Canada.

ABERDEEN PLUS Percentage cattle (25%-87.5%)—Percentage cattle with the non-Aberdeen portion coming from registered American Angus or American Red Angus. The member must supply the registered, genetic defect-free pedigree and appropriate fee to enter the foundation animal into the Aberdeen Plus registry. The submitting member must be the recorded owner of the female at the time the calf was born. A flush report is required for all embryo transplant calves. Multi-generational cattle are accepted as long as the breed and percentage criteria are met. Either the sire or dam (or both) of the first generation Aberdeen Plus must be registered with the American Aberdeen Association.

MODERATOR Percentage cattle (50%-87.499%)—both sire and dam of a Moderator® must be registered with the American Aberdeen Association. Moderator shall be added to registration papers for these animals.

MODERATOR PLUS Percentage cattle (25% to 50%)—Aberdeen genetics on at least one side of the pedigree, and must be registered with the American Aberdeen Association. Either the sire or dam (or both) of a Moderator Plus® must be registered with the American Aberdeen Association. Moderator Plus shall be added to registration papers for these animals.

Lot 31

Take a long look at this powerfully deep bodied granddaughter of the two time national champion Super Sonic (Mr. Dakota) 602S out of the popular Fairwyn's Legend daughter MRG Bonita. She's a very complete two year old due about sale time to Hard Drive.

Now here's a real beef cow in the making. She is out of the winningest Fancy Lady, Supreme in Denver, Louisville, Kansas City, a full sister to multi champion Mister Jack. She's straight lined, smooth shouldered, big hiped and well balanced with all the right parts in all the right places. Bred to TCS Jacks Spark 10E FM34306 8/1/18.

Another great Underdog daughter out of a full sister to Mister Jack. She's deep and capacious and will make a great cow. She's bred to Baxa 036A, the Prince Charming son of KBW Baxa (a daughter of Lady Jane) for a spring 2019 calf.

I believe this will work...the real maternal looking, feminine Mister Jack daughter out the predictable Xia cow family that produced the 2018 Junior Nationals and Iowa State Fair Jr. Show Grand Champion. She's bred to EZ Underdog 20U on 6/16/18.

Duff Trademark, sire

Wow. She's bred to be a great one by the National Champion Mister Jack and out of the daughter of Hudson Pine's great donor B-K Bertha's Abby. She's so pretty, soft and mellow, the picture of efficiency.

Here's essentially a full sister in blood to the lot 54 heifer. Her dam is a full sister to the dam of 19E. She's a long bodied, straight lined senior heifer calf that will make a great cow.

Delta Dawn is a very stylish, sound made, functional halfblood Moderator by the maternal sire, National Champion Prince Charming!

Elda is a royally bred female. Tracing back to a New Look x Peter dam and sired by an Emblazon x Isadora son, this female is soggy middled, stout hipped, and has that true brood cow look. Confirmed bred to the 2018 NWSS division champion MRG Constable MM34800.

Terms and Conditions

Terms: Terms of the sale are cash or check payable immediately upon conclusion of the sale and before animals will be moved. Seller will reserve the right to require a certified check as settlement before releasing any cattle.

Insurance of Purchases and Risk: All animals are the seller's risk prior to their sale and become property of the buyer as soon as declared sold by the auctioneer. Arrangements will be made to have insurance available when making settlement.

Bidding: All animals sell to the highest bidder. Any disputes or challenges regarding bids will be settled by the auctioneer and his decision will be final.

Health and Export: A vet will be on hand to write interstate health certificates.

Registration and Transfer: All animals sell with registration papers from the American Aberdeen Association and will be transferred after the sale at the seller's expense.

Announcements: Any errors or changes of information contained in the catalog will be announced from the auction block and such announcements shall take precedence over information contained in the catalog.

Breeding Guarantee: Bred females called safe in calf have been pregnancy examined by a veterinarian and found to be safe in calf. The open heifers selling are guaranteed to be breeders. If a female appears to be a non-breeder within 6 months of the sale (or within 6 months of when she reaches breeding age) she may be returned to the seller at the buyer's expense. The seller will then reserve the right to prove the animal a breeder within a six month period, using any fullblood registered Aberdeen bull of his choice through AI or natural service. If successful, seller will return animal to buyer, again at buyer's expense. Should the animal fail to prove a breeder, the seller at his option may either return the purchase price to the buyer or replace the animal with another of equal value in full settlement and satisfaction of all claims. In no event shall the seller be responsible for more than the purchase price.

In case the animal in question should develop to be a problem breeder due to negligence or improper management by the buyer or if the female has been subjected to any hormonal or surgical reproduction techniques, the seller's guarantee does not apply. No guarantee is given that bred females will deliver a live calf. No guarantee is given that a female will produce eggs suitable for transplant.

All bulls over 14 months of age are semen tested. No guarantee is given that a bull will produce semen that will freeze. Bull calves under the age of 14 months are guaranteed to pass a semen test at 14 months of age. Should the animal fail to pass a semen test, the seller at his option may either return the purchase price to the buyer or replace the animal with another of equal value in full settlement and satisfaction of all claims

Liabilities: All persons who attend the sale do so at their own risk and Auction Effertz, Ltd. assume no liability for any accidents that may occur. Neither does Auction Effertz, Ltd. assume any liability for loss or injury to livestock due to theft, mysterious disappearance, sickness, improper handling or Act of God. It is also to be clearly understood that Auction Effertz, Ltd. act only as a medium between the buyer and the seller. They are not responsible in any way for any failure on the part of the buyer and the seller to live up to their obligations of for the truth of any warranties or representations, express or implied. Neither does Auction Effertz, Ltd. assume any financial obligation to collect or enforce collection of monies between parties. Any legal action that may in exceptional cases be taken, must be between the buyer and the seller.

Contract: The above terms and conditions shall constitute a contract between the buyer and the seller of each animal sold.

Mail bid: Mail or wire bids may be furnished. Bids must be in the hands of the sale manager in ample time prior to the sale and will be handled in strict confidence.

Do the math...

More cows on the same forage means more profit.

What are your biggest costs? Feed and labor?

Taking into account all of the variables Mother Nature throws at you, the key factor you can control is cow size. Getting cow size and stocking rate right has a huge impact on the bottom line. Smaller cows mean more cattle on the same forage base. Spreading your fixed costs over greater numbers and reducing variable costs per head improves net profit.

AmericanAberdeen.com

Change is hard...

Cashing bigger checks isn't.

If you're going to sell 50,000 lb of calves, which load do you want to sell?

Load A = 111 450 lb steer calves @ \$1.43/lb = \$71,429

Load B = 77 650 lb steer calves @ \$1.17/lb = \$58,559

The 111 Aberdeen calves grossed an extra \$12,870 over the 77 heavier calves.

Still want to sell big calves?

What if instead of chasing weaning weights, we focused on efficiency and net profits?
