Focus on Efficiency Aberdeen Production Sale

Closes Sunday, October 23, 2022 on
SmartAuctions

EZ Redford 112C – Redford is a thick, powerful, easy-calving, red halfblood Aberdeen Moderator bull. Our goal with our red Aberdeens is for them to be just as good as our black Aberdeens, and Redford surpasses that goal. He never has a bad calf. He is the sire of EZ Sienna 152H, the 2022 National Reserve Champion Percentage Female. Watch for his daughters in our Focus on Efficiency Sale. Semen available.

EZ Sienna 152H

EZ Hollywood 29H – Here's Hollywood, the 2021 National Champion Bull. He is structurally flawless, fluid moving and uniformly stamps his offspring with impeccable conformation. He is proof positive that our "perfect match" of Bullseye crossed on Jackaroo is a powerful combination. His first calves sell on October 23. Semen available

EZ Hollywood 29H

EZ Bullseye 15B – Bullseye is a handsome, growthy, powerful, long-bodied, fullblood who crosses especially well on the Jackaroo bloodlines. His lineage is stacked with three outstanding females who boast some of the best udders in Australia. These genetically dominant cow families – Perfection H002, Amicable J152 and Felicity J167 – will influence his production of truly awesome females. His daughter, EZ Taffeta 2J, was the 2022 Houston Champion Fullblood Junior Heifer Calf. Watch for his sons and daughters in our Focus on Efficiency Sale on October 23. Semen available.

EZ Taffeta 2J
