UF Rip 19H

Rip's pedigree is loaded with powerful genetics, and he shows it. He's a strong-made, well-muscled Bruiser son from a Rusty daughter who traces to Bonanza's Starr, the mother of the great Boxcar. He sells.

Sponsored by the
American Aberdeen Association

ESR Maiya

ESR Maiya is an exciting, attractive, well-bred March heifer calf from the great Jaida cow family. She sells.

Watch for a few, very select additions to the sale from the National Show.

Many of the consignments to the National Sale will be shown in the National Show in Denver, making delivery to all parts of the U.S. convenient and economical.
